Ch. Ver.: Draftly (Reserved) | Last Updated at: 1-Nov-2025 16:02 (HKT)

A • Preamble

We, ©《CÿHóKìYŭ》a creativity tribe (sort to as “CHKY”), hereby establish Articles to affirm our commitment to creative freedom, personal integrity, technological ethics, and respect for privacy and intellectual property.

This Charter is acted in accordance with the HK Personal Data (Privacy) Ordinance (Cap 486), Copyright Ordinance (Cap 528), and relevant laws concerning the dishonest use of computers

B • Tribe Name Meaning

We, ©《CÿHóKìYŭ》, our name “CÿHóKìYŭ” is composed within built from 4 major parts, each’re carrying a special meaning that surprised you:

1. Cÿ – From the first 2 letters of our tribe Owner & Chief Person's (C.P.O.)’s English nickname “Cyrus”. Additionally stand for Cyber, reflecting we're a funny tribe focused on technology.
2. Hó – Represents hope and “Hoshizato” (“Hoshizato” is a Japanese word & it's referred to a meaning of “Hope”, “Galaxy”, “Dasteny”, and also “Fantasy”), symbolizing personal ideals and long-term targets.
3. Kì – Represents key and sky. In other words, it represents our mission and hope for the unknown future. We're committed to seizing every opportunity and key moment for growth without violating any ethical or moral principles, thereby transforming them into our driving force and growth formula.
4. Yŭ – Inspired by the Japanese Yume (“dream”), capturing our desire for every member to pursue their dreams boldly

Together, “CÿHóKìYŭ” represents a space where technology, ideals, clarity, and dreams come together to inspire boundless creativity.
